Baker Rites Are Held Gives Winter Classes

Old-Time Employees Die In Late 1965

The recent holidays in Y-12 were saddened by the deaths of two long-time employees. Harold H. Neal, Guard Department, died December 17 . . . and Lloyd Baker Sr., Dispatching Department, died Wednesday, December 29, in a Knoxville hospital.

H. Neal

Mr. Neal, who had been ill for some time, was a member of the Central Baptist Church, Oak Ridge. The Neal home is at 101 East Pawley Lane, Oak Ridge.

Surviving are Mrs. Emma B. Neal, wife; daughters, Mrs. Bill Leonhardt, Caryville; Mrs. R. B. Davis, Birmingham, Alabama; Mrs. Elmer Lee, Oak Ridge; and four grandchildren; brothers, Herbert Neal, Norma, Kendrick Neal, Detroit, Michigan; Frank Neal, Pioneer, and A. J. Neal, Elk Valley. Also surviving are three sisters, Mrs. Hazel Marcum, Elk Valley; Mrs. Ida Lay and Mrs. Cleo Lay, both of Pioneer.

Funeral services were held Sunday, December 19, at the Mynatt Funeral Home, Knoxville, with the Reverend Carol Hubbard officiating.

Mr. Baker, a native of Flintstone, Georgia, had been in Y-12 since Jan-uary 15, 1951. He was also a member of the Baptist Church. The Baker home is at Route 1, Clinton Highway, Knoxville.

L. Baker Sr.

Mr. Baker is survived by his Mrs. Ruth Thompson, a son, Lloyd Baker Jr., Oak Ridge; Chester B., Chattanooga, daughter, Mrs. W. A. Miller, Chattanooga; sisters, Mrs. Wesley Haas, Nashville, and Mrs. Betty L. Hite, Chattanooga. A brother, A. D. Baker, Kingston, also survives. There is one grandchild.

The Baker services were held at 10 a.m. Saturday, January 1, at the Stevens Chapel, Knoxville. The Reverend J. B. Thompson officiated. Interment followed in the Strawberry Plains Cemetery.

Sincere sympathy is extended both the Neal and Baker families by friends and co-workers in the plant.

Badge Exchange Ends Wednesday, January 12

The current badge exchange is stretched until next Wednesday, January 12.

If you have not picked up your new blue-bordered identification, do it now. If you wait until 11 p.m. next Wednesday, it will mean a trip to Badge and Pass, Building 9704-2, as the new badges will all be picked up at the self-service racks at the portals

Harold Neal, Lloyd UT Evening School

The University of Tennessee Evening School is ready for the Winter Quarter, set to open with registration the first week of the New Year. Oak Ridgers could register Monday and Tuesday, January 3 and 4, between 5:15 p.m. and 8 p.m. at the Evening School's Oak Ridge High School office.

Offered in the new quarter are: Accounting 212-Introduction. Algebra Refresher.

Art Education 211 - Drawing, Painting, and Design Activities in the Elementary School.

Education 301 - History and Philosophy of Education.

Educational Psychology 243 -Child Study.

Economics 212—Principles. Engineering 112 — Fundaments f Force Relationships.

English 112—Composition.

English 213-American Literature.

History 222 - History of the United States. Mathematics 112-General.

Mathematics 132 - Mathematical Analysis.

Mathematics 212-Structure of the Number System II.

Mathematics 231-Higher Mathematical Analysis.

Office Administration 111 -Business Administration. Philosophy 221 - Elementary

Logic. Psychology 211—General.

Psychology 212—General. Psychology 345 — Industrial & Personnel.

Psychology 355-Child Psychol-

Rapid Reading. Sociology 211-General.

Sociology 212—General. Speech 231-Basic Public Speaking.

Speech 232-Basic Public Speaking.

Speech 233-Basic Public Speaking.

Statistics 222-Introduction.

Classes begin in the Winter Quarter January 5 and continue through Commencement, Wednesday, March 16.

More information may be obtained concerning classes and schedules by contacting the University Office, Oak Ridge extension 482-2851.

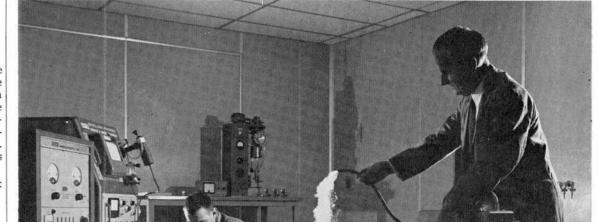

13,440 Years Of Service Will Be Marked In '66

The New Year will be a banner year for many Y-12ers . . . as far as their Carbide service is concerned. A total of 111 will celebrate 20 year anniversaries; a whopping 688 will pass the 15 year mark; and 90 will see 10 years company service. A total of 13,440 years of company serv-

McNally To Conduct Thermonuclear Seminar

The Thermonuclear Division announces its first seminar of the year tomorrow, January 6. J. R. McNally Jr will speak on "Excitation -– Heating and Fusion Chain Reaction.'

The seminar is set for 9 a.m. tomorrow, Thursday, January 6, in the TD Conference Room, Building 9201-2.

117620

THE HIGH PURITY LABORATORY in Y-12 is seen uring a smoke test recently conducted to verify airflow characteristics within the facility. J. C. Little, Engineering, and E. L. Williams Jr., right, Chemistry Development, perform the smoke tests.

Secretarial Skills Review To Be Held

Secretarial Skills Review will be offered through the Adult Education Program beginning this month. The class will meet Tuesdays and Thursday from 6:30 p.m. until 8:30, beginning Tuesday, January 11, at the Oak Ridge High School.

This course will prove helpful in secretarial work, as well as in preparation for the Certified Professional Secretary examination. Individual office-type desks are provided in the classroom, and IBM electric typewriters available there.

More information on this course and others proposed may be obtained by contacting Nelline Ross, Building 9201-2, telephone extension 3-7090. Mrs. Ross can place your name on a list to receive information on future courses planned for the secretary.

ASTME Meeting Set Tomorrow

The Knoxville - Oak Ridge Chapter of the American Society of Tool and Manufacturing Engineers meets tomorrow. The meeting is set for Thursday, January 6, at the Elks Lodge, Oak Ridge. Dinner will begin at 7 p.m., and the featured talk at 8.

W. F. Thomas, a past chairman of the local ASTME Chapter, will speak on "Stellite, Then and Now." Bill, a former Y-12er, is now Chief Engineer for Specialty and Hard-Facing Products at the Stellite Division, Kokomo, Indiana. The excellency of the program and a chance to greet Bill again should provide for an interesting evening.

That's tomorrow, Thursday, January 6, at the Elks Lodge, Oak

High Purity Laboratory Makes New 400-Hour 'Pure Air' Test

The High Purity Laboratory in | hour in the room. Y-12 has been described as one of the "cleanest rooms" in the nation! In the above photograph the dust counters detected a sinare seen conducting a smoke test in the facility.

The test was conducted to verify airflow characteristics within the room. Air is introduced to the laboratory through the ceiling containing 99.99 per cent efficient filters, and moves directly downward to be exhausted through the grating floor. There

After 400 hours of testing, under normal operating conditions, J. C. Little and E. L. Williams gle 0.3 micron particle (size of a particle found in cigarette smoke) in each three cubic feet of air

The High Purity Laboratory, already covered in a feature article in the Bulletin, is used for special research on studies relating to the nation's nuclear and space programs which require an environment as nearly free of airare some 386 air changes per borne dust as is possible to attain.

W-2's Will Be Mailed **Employees This Friday**

Y-12ers, brace yourselves! The worst is yet to come. The Payroll Department has announced that W-2's will be put in the mail to all employees Friday, January 7.

The corporation has already mailed participants in the General Savings Plan statements of company contributions which are

A copy of the W-2 must be filed with the income tax report . . . so hang onto it.

And happy filing!

F. Kertesz, ORNL 5
J. Lewin, ORNL 3

Carbide Kids Frolic At Parties

Five parties on December 22 filled the rafters of the Oak Ridge High School, as Carbide kids rang in the Christmas season. 5:45 p.m. Ark Lanes. Gee Gee and her Alaskan dogs (Malemutes and Siberian huskies) went through their paces for the happy audiences.

Santa put in an appearance at each of the five shingdigs also . . pulled by a sleigh manned by the mighty dogs from the North! This is a change from the usual method of reindeer power.

Cartoons, singing, Paul Blakley's casual emceeing ended the happy frolics . . . as each child received a gift upon leaving.

See you young'uns next year! district.

WASHINGTON NAMESAKES

While several of our states bear the names of kings and queens, George Washington is the only president to have a state named for him. The Post Office Guide lists 25 other cities and towns called Washington, also three Washingtonvilles, and in 31 of the 50 states there is a Washington county or parish.

TINA FRANCES SMITH, born on November 28, is the daughter of Mr. and Mrs. Detra N. Smith. The mother is the former Hazel Whitson, London, England. The father is serving with the U.S. Navy on the USS Ranger in Vietnam waters. The maternal grandmother is Frances Smith, Y-12's Capital Accounting and Budget Department.

A new year . . . a new vacation plan. This week finds more Y-12ers observing important milestones with Union Carbide Corporation. Congratulations.

Miss Julia Lee Stutts and Mr. Bruce Ray Houck were married Saturday, December 4, at the Post Chapel, Redstone Arsenal, Huntsville, Alabama. The bride is a 1963 graduate of Oak Ridge High School and attended Florence State College, Florence, Alabama. She is presently employed as a secretary at Wyle Laboratories, Huntsville.

The groom is the son of Mr. and Mrs. Clarence R. Houck, Madison, Alabama. He was a junior at Florence State when he entered the United States Army in September, and is stationed at Fort Gordon, Georgia.

STUTTS-OGLE

Miss Brenda Sue Ogle and Mr. James C. Stutts Jr. were married Saturday, October 23 at the Baptist Church, Pulaski, Virginia.

Mrs. Stutts is the daughter of Mr. and Mrs. W. B. Ogle, Pulaski. She is a 1965 graduate of Pulaski High School.

The groom is a 1961 graduate of Oak Ridge High School, and served four years with the United States Navy. He is now employed by the Myers-Whaley Company,

Camera Club Meet Is Tuesday

The Carbide Camera Club activities for 1966 get underway next Tuesday. The Tuesday, January 11, meeting will be held at 8 p.m. at the First Presbyterian Church's Educational Building. The program will be a Kodak colorslide-narrative en-titled "Four Keys to Color" which emphasizes the basic qualities of four different types of film and the photographic techniques involved with each. The slides are original photographs and cover well known travel points of interest from Cypress Gardens and the Bahamas to Canada. The meeting is open to the public as well as members and all are cordially invited to attend.

Subject competition for Jan-uary is "Landscapes" in black and white photography and/or color-slides, for members only.

Applications for 1966 membership are now being taken. Any Carbide employee and their families are eligible. Dues are \$3 for a single membership or \$4 for a family membership. Possession of a membership card enbles the holder to participate in the monthly competitions as well as the salon competition (held in connection with the Oak Ridge Arts Festival) for their respective awards, use of the dark room and the studio (when it again becomes available) and a discount on camera-bug equipment for a local Oak Ridge and Knoxville dealer.

Those desiring additional information may contact Don Hendrix, president, extension 3-1400: Semour Raffety, vice president, 3-5237; or Jeri Kobisk, secretary-

treasurer, 3-7308.
